

On this auspicious first day of the new academic session 2024-25, Bright Scholar family gathered together in a ceremonial hawan to seek blessings from the universe. May we be guided to always choose the path of righteousness, wisdom, and compassion. Let this sacred ritual fill our hearts with positivity and our minds with clarity as we embark on this journey of learning and growth. May the blessings of the universe be upon us as we strive to do what is right and make a positive impact in the world.
