

“The Importance of One Voter in A Democracy Impairs The Security Of All”

A plethora of activities was conducted at Bright Scholar Senior Secondary School on 5 April 2024 to spread awareness among children for the Importance of voting. Activities like poster making, slogans writing etc were held. Above all class XI elected their class monitor through live voting. Members of election commission checked the voter list. The votes were counted and result was declared on the spot .The motive was to instill the importance of voting among the students which is an integral part of democracy.

Indeed! It was an eye-opener for the everyone, the children enjoyed to the utmost level.
