

## Children's Day celebrated in Bright Scholar School

On 14 November 2024, Children's Day was celebrated in Bright Scholar School. This day is also remembered as the birthday of India's first Prime Minister Shri Jawaharlal Nehru. Children were entertained by various types of programs in the school. Today's day started with Havan Yagya. The whole atmosphere was filled with positive energy with the fragrance of Havan. After that a magic show was organized for small children in which the magician entertained the children by showing many magic tricks. Musical chair game was organized for the students of class XI and XII in which everyone participated with great enthusiasm. DJ was arranged in the school ground for all the students on which all the children danced a lot. Today all the students had come in traditional dress. Overall, today was a special day for the children and everyone expressed great happiness. Principal Kiran Dalal congratulated everyone on Children's Day and said that we should behave well with everyone and be happy.
