

An inspiring awards ceremony was held to celebrate the exceptional diplomatic skills of our 6th and 7th-grade students at the Model United Nations event. Recognitions such as “Best Delegate” and “Honourable Mention” were awarded to deserving participants, highlighting their teamwork and leadership.

The Principal congratulated the students, while Aasmi and Vaibhavi, 12th graders, proudly served as chairpersons, ensuring the event’s success. A memorable day of achievement and growth!
