

### **“Together We Thrive” Program Organized at Bright Scholar School**

A special program was organized between teachers and parents on 4th January at Bright Scholar School in which parents enjoyed the program along with the school teachers. The purpose of this program was to establish harmony between the school and parents so that they can understand the students well and pave their way for a bright future. During this, many types of entertaining activities were conducted like Tambola, Musical Chair etc. The winners were given prizes by Principal Mrs. Kiran Dalal. Parents participated enthusiastically in every game and tried their best to win. Dance and singing captivated everyone. The little children expressed their happiness by dancing and the school music teachers Aman and Prince made the whole atmosphere musical with their melodious voice. In the end, everyone did a group dance and all the parents expressed their gratitude to the school and said that the environment their children have got at Bright Scholar School is better than a family. Here their children are learning not only education but also values. Principal Mrs. Kiran Dalal also thanked everyone and said that the school will try its best to live up to the trust that the parents have placed in the school.
